

EEPAR TESTING ISSUES

- ✓ Issue with "Operations" Section on Admin Portal
Admin encounters an error when clicking the "Operations" tab on <https://eepar.info/operations>. Please check and fix the issue to ensure proper access.
- ✓ The time shown in the "Track Progress" section is incorrect. Please review and adjust to ensure accurate timestamps. At the end its actual date for tracking I do that at 12: 12 but it displayed as 09:21 wrong.

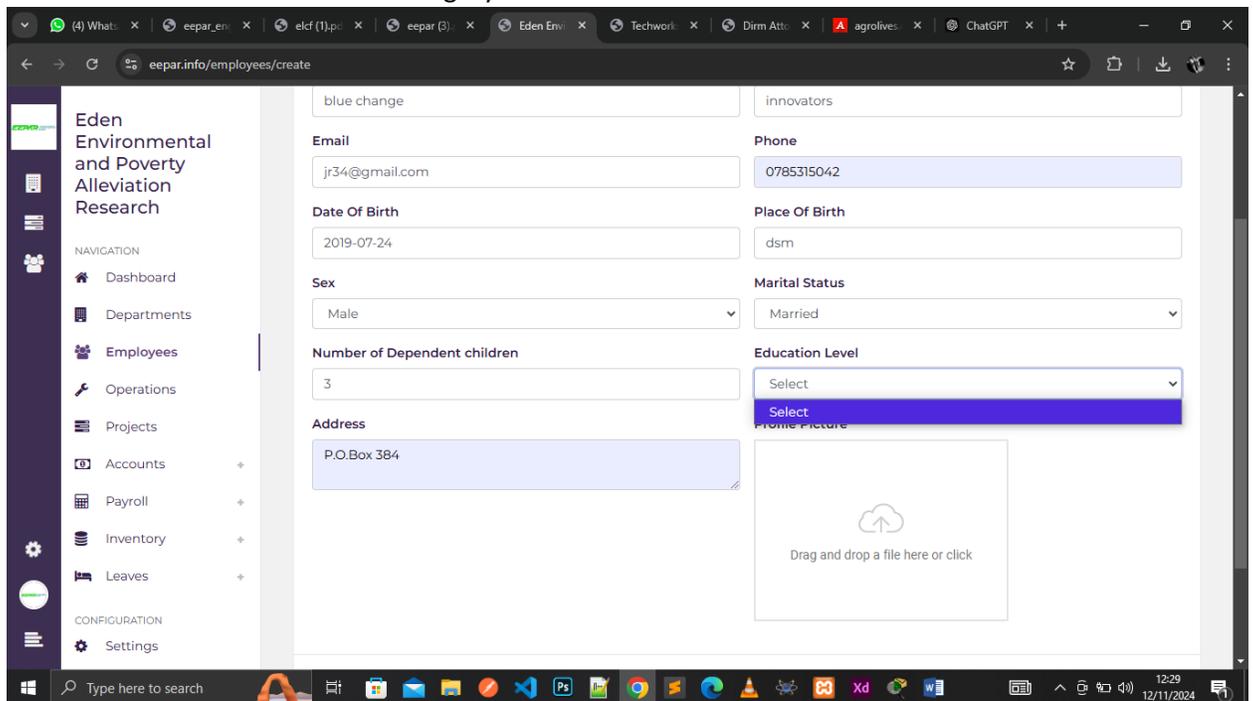

The screenshot shows a table with the following data:

BUDGET	START TIME	END TIME	DATE
2,000,000	12/11/2024 08:00	23/11/2024 17:30	12/11/2024 09:21

Buttons: Print, CSV, Excel, Search, Previous, 1, Next

- ✓ Employees are unable to select their education level or category. Please check and resolve this issue. Also there is no section of category.

The screenshot shows the "Eden Environmental and Poverty Alleviation Research" employee creation form. The form includes the following fields:

- Name: blue change
- Email: jr34@gmail.com
- Phone: 0785315042
- Date Of Birth: 2019-07-24
- Place Of Birth: dsm
- Sex: Male
- Marital Status: Married
- Number of Dependent children: 3
- Education Level: Select (dropdown menu)
- Address: P.O.Box 384
- Home Picture: Drag and drop a file here or click

- ✓ The "Save" button only works for the "Payment in Bank" option; it remains static for other options. Please fix this functionality.
- ✓ Deleting a payment triggers an "Unauthorized Action" error. Please review permissions and resolve this issue.
- ✓ No parent list appears when creating an income category.
- ✓ Please remove the "Salary Loyer" field from the form of employee.
- ✓ The system is not displaying payslips. Please investigate and resolve this issue.
